This is an old book, first published in The selection of poets ranges in time from the end of the great period for Yiddish literature in the early twentieth century, through the dark times and up to the post-war survivors, such as Sutzkever and vb-iostalebudalastine.com: 2.

This is an old book, first published in The selection of poets ranges in time from the end of the great period for Yiddish literature in the early twentieth century, through the dark times and up to the post-war survivors, such as Sutzkever and Manger. A bilingual anthology of modern Yiddish poetry, with English translations. The work which aims to delineate the modern Jewish experience, includes samplings of 6 major poets and selections from the works of 33 others, with an introduction placing the poetry in its historic and critical context /5.
