Zapatismo Beyond Borders Book Description: Examines how Zapatismo, the political philosophy of the Zapatistas, crossed the regional and national boundaries of the isolated indigenous communities of Chiapas to influence diverse communities of North American activists. Zapatismo Beyond Borders is an engaging study of a radical political philosophy that has been both a model for grassroots organizations and a rallying call for members of the anti-globalization movement. Rigorous and engaged, this will be of interest to anyone interested in indigenous rights movements, political philosophy, and the recent history of political activism.
